K-State Swine Educational Program

Extemporaneous Speaking Contest
Youth have the opportunity to compete in a public speaking contest. Contestants will select one of three predetermined swine-related topics. They will be given 30 minutes to prepare a 3- to 7- minute speech, which they will deliver in front of a judge and spectators. Participants can register for the contest on site at no charge. Preferably, contestants should be swine classic show participants. They will compete with others in their age group — 7–10, 11–14, and 15–18, as of January 1, 2014. Official guidelines and speech criteria will be provided at check-in. The top two speakers in each group will receive awards.

PEDv and Implications for Youth Projects
Members of the K-State Swine Team will present information on PEDv, focusing on current status in the U.S. swine industry. Presenters will discuss on how the virus will affect the show pig industry and what exhibitors can do to decrease the spread of this virus.

Photography Contest
Youth may submit up to two swine-related photos for the photography contest. Check in will be at 1 p.m. on Friday. Photos should be 8 x 10 size and should not be framed or matted. They will be placed in plastic sleeves and displayed throughout the weekend. We assume no responsibility for lost or damaged photos. Prizes will be awarded in three age divisions: 7–10, 11–14, and 15–18. Everyone will also have the opportunity to vote on “The People’s Choice” award.

Sponsors
The Kansas Swine Classic is sponsored by K-State Research and Extension and the Kansas State University Department of Animal Sciences and Industry.
