K-State Swine Educational Program

Extemporaneous Speaking Contest
Youth will have the opportunity to compete in a public speaking contest. Extemporaneous speaking involves youth selecting one of three swine-related predetermined topics. They will be given 30 minutes to prepare a speech on the selected topic. Contestants will give a 3- to 7-minute speech in front of a judge and spectators. Participants will register on-site for the contest at no cost. It is preferred that all contestants are participants of the swine classic show. There will be three age groups, 7–10, 11–14, and 15–18, as of January 1, 2015. Official guidelines and criteria for the speech will be given to the contestants at check-in. Awards will be given to the top two speakers of each age group.

Keeping Your Show Gilt for Breeding?
Management and Nutrition Review
After the show season, youth may want to keep show gilts as breeding females and raise their own pigs. Swine experts will share information on proper management, nutrition, biosecurity, and breeding, along with tips on fostering techniques to improve piglet survival.

Photography Contest
Youth can submit up to two 8 x 10 swine-related photos for this competition. Photos should not be matted or framed. They will be placed in plastic sleeves and displayed throughout the weekend. Contest organizers assume no responsibility for lost or damaged photos. Prizes will be awarded to winners in the 7–10, 11–14, and 15–18 age groups. Everyone can vote for “The People’s Choice.”
