HORSE NOTES:

This filly was bred and raised at K-State and has completed the Fall 2007 weanling training class. She is a quick learner, and excelled in the class. This training class taught her to accept the halter, lead at the walk and trot, back, load in a trailer, longe at the walk and trot, and she was also taught some beginning showmanship. With her outstanding pedigree, she should make a great performance prospect, and an awesome broodmare in the future!
