Seminar Information

The 2022 Winter Ranch Management Seminar Series includes a series of presentations focused on enhancing profit in beef production and a Town Hall question-and-answer session where producers can ask questions to local/district and state extension specialists.

Producers are encouraged to bring their questions on cow-calf animal health, nutrition, genetics, reproduction and management to the session.

Please RSVP to your selected location contacts by close of business one week before the event. Registration fees and payment forms may vary by site. Contact your local host contact for registration/RSVP details. Meal, if provided, is included in the registration fee.

Online updates about the series can be found at KSUBeef.org. If necessary, the option to conduct the meetings virtually will be made by the RSVP date for each respective location.
