

**SowBridge** is provided via 12 monthly Zoom webinars by swine industry experts. Webinars are generally scheduled for the first Wednesday of the month. Each webinar is recording for folks to view later.

### How does the program work?

- You'll have access to university and industry professionals with a variety of expertise, during and after the sessions.
- You can take part in this educational opportunity without having to worry about time off from work, travel distance or inclement weather.
- Sessions begin at 11:15 a.m. Central Time and last no more than an hour.
- Each session has a Q&A time following the presentation.

### What do I need to participate?

- Computer with internet access or phone to connect to live webinar.
- Valid email address to receive Zoom link, along with any additional materials.

Registration deadline to ensure receipt of materials for first session:

**January 15, 2026**

**SowBridge** is brought to you by swine Extension educators and faculty from these colleges and universities.

**Casper College (Wyoming)**

**Iowa State University**

**Kansas State University**

**North Carolina State University**

**North Dakota State University**

**Purdue University**

**South Dakota State University**

**Texas A&M University**

**The Ohio State University**

**University of Illinois**

**University of Minnesota**

**University of Missouri**

**University of Nebraska—Lincoln**

*All are equal opportunity educators and employers.*

Since 2007 *producers and other industry professionals have received relevant and timely information related to boars, sows and their litters through SowBridge.*
