Program

Join us for the biennial K-State Junior Sheep Producer Day on Saturday, April 11, 2026. Presentations will be provided by featured guests, as well as K-State faculty, staff, and students. This event will be an educational day of activities in which youth, parents, extension agents, ag teachers, and sheep project leaders can increase their knowledge of youth sheep project selection and management. A variety of topics will be shared, including an optional YQCA certification at the end of the day. All ages and skill levels are invited! Lunch and a t-shirt are included. The registration fee is \$20/person for those who sign up by March 20 or \$30/person for those who register after that date. Only those who register by the deadline will receive a t-shirt. This is a family event! Anyone attending, including both youth and adults, must register. There will be an optional tour of the sheep and meat goat center offered on Friday evening and Saturday after jr. day.
