Program information may be available in languages other than English. Reasonable accommodations for persons with disabilities, including alternative means for communication (e.g., Braille, large print, audio tape, and American Sign Language) may be requested by contacting **Abigail Gettinger** two weeks prior to the start of the event at **785-232-0062 ext.108 or agettinger@ksu.edu**. Requests received after this date will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information will be provided free of charge to limited English proficient individuals upon request. **Kansas State University Agricultural Experiment Station and Cooperative Extension Service.** K-State Research and Extension is an equal opportunity provider and employer.

Extension Participant Demographic Data Collection Form

K-State Extension programs are open to everyone. To ensure civil rights policy adherence, we are required to report program participant race and gender data to the United States Department of Agriculture (USDA). Only aggregated information (total numbers across all programs) about race and gender are reported to the USDA. Providing the following information is **voluntary** and will be maintained strictly for reporting purposes. These records are kept separately from mailing lists and other participant information.

Thank you for taking the time to provide us with this information.
