

Swine Skillathon

Youth will have the opportunity to test their knowledge and compete for prizes in a Swine Skillathon. This interactive event will offer three age divisions: 7-10, 11-14, and 15-18. The skillathon will be open from 1 to 3 p.m. on Friday in the show barn. During that time frame, it will be come-and-go and youth may participate at their convenience. It will take approximately 30 minutes for youth to complete the skillathon stations. Each participant will need access to a mobile device. After the completion of the skillathon contest, all youth and adults will have the opportunity to view the answers and other age division's stations. Prizes will be given to Swine Classic participants only.

Photography Contest

Youth may submit up to two swine-related photos for the photography contest. The photo entries are to be taken by the exhibitor. Check-in will be at 1 p.m. on Friday. Photos should be 8x10 size and should not be framed or matted. Photos will be placed in plastic sleeves and displayed throughout the weekend. We assume no responsibility for lost or damaged photos. There will be no age group divisions. Prizes will be given to the Champion and Reserve Champion "The People's Choice" award. Voting will be open at 1 p.m. and close at the conclusion of Showmanship on Friday.

Award Presentations

Awards for all educational contests will be presented on Saturday morning between the prospect and market shows.
